

Our mission is empowering individuals, families, and communities facing poverty to secure a better quality of life.

OPENS DOORS OF POSSIBILITY AND EMPOWERMENT

Community and Economic Development Association of Cook County (CEDA) is your partner in empowerment.

Our mission is focused on enhancing the quality of life for individuals, families, and communities in Cook County, through a broad spectrum of services designed to address the various aspects of life that may be impacted by poverty.

WE ENVISION
SUPPORTIVE AND
RESILIENT COMMUNITIES WHERE
INDIVIDUALS AND FAMILIES
ARE HEALTHY, ECONOMICALLY
SECURE, AND THRIVE.

WEATHERIZATION

Our program makes homes safer and more comfortable. Weatherization improvements also make homes more energy-efficient to help lower energy bills in the long run. Possible services include an air sealing, stop drafts, insulation, and repair or replacement of heating systems to enhance indoor air quality and ventilation.

ENERGY SERVICES

The Energy Services Department provides utility bill assistance, electricity, water, and heating gas, to income-eligible Cook County residents. Payments and/or reduced rate approvals are sent directly to the utility companies on behalf of the customer.

WOMEN INFANTS AND CHILDREN

The Special Supplemental Nutrition Program for Women, Infants, and Children - better known as the WIC program - serves to safeguard the health of low-income pregnant, postpartum, and breastfeeding women, infants, and children.

This institution is an equal-opportunity provider.

FAMILY SUPPORT COMMUNITY ENGAGEMENT (FSACE)

Provides an array of programs, services, and case management to help members of the community, which includes Direct Client Assistance: Dental, Vision, Auto Repair, and Emergency Rent Assistance.

GREEN GENERATION (G2)

G2 is an inter-generational sustainability, advocacy, and workforce development initiative targeting high school students while placing an equitable emphasis on students of color.

UPLIFT HARVEY

Since launching in May 2021, Uplift Harvey has established a local garden and held resource fairs, distributing funds to fuel engaging, revitalizing activities and events. Hundreds of residents of all ages have been engaged via Uplift Harvey.

CEDA CAREERS

Join us. We work hard to take care of our team the way we do the community. Medical | Dental | Vision | Life | 401K | Generous PTO.

HOUSING SERVICES

We provide information and education, and advise families and individuals seeking foreclosure prevention/mortgage default counseling.

MULTIFAMILY SERVICES

Weatherization improvements make buildings more energy efficient to help lower energy bills in the long run. Our program makes multi-tenant dwellings safer and more comfortable.

AFFORDABLE HOUSING

CEDA's Affordable Housing mission is to provide housing options through sustainable, resilient, and affordable opportunities.
